Why not record this script on our VOXTRAINING Evaluation Line?

We'll give you an honest opinion on whether a voice-over training course could help you. When you're ready to record, dial **020 3239 8925**. After the welcome message, please record your name and contact phone number, then go straight into the script. If you make a mistake, just go back to the start of the sentence and carry on. Don't worry too much - this isn't about getting a perfect performance. We just need an idea of what you sound like and what level of natural aptitude you have.

Script 3

DIRECTION NOTES:

Financial services – trustworthy, friendly – the voice of experience and reassurance.

The phone number is said as “oh eight thousand, seven hundred six hundred”.

Final paragraph delivered faster than the rest of the script.
